(1) the production of any Cochin Government Gazette copy of an entry made in the electoral roll of any constituency shall be conclusive evidence of the right of any elector named in that entry to stand for election or to subscribe a nomination paper, as the case may be, unless it is proved that the candidate is disqualifed under rule 9 of the Cochin Legislative Council Electoral Rules or, as the case may be, that the proposer or seconder is a person whose name is not registered on the electoral roll of the constituency or is subject to any disibility stated in rule 5 of the Cochin Legislative Council Electoral Rules, and

Rule 3 (2)  
—cont.

(b) where a person has subscribed whether as proposer or seconder more than one nomination paper that one of such nomination papers which has been received first by the Returning Officer shall be deemed to be valid.

(4) Nothing contained in paragraph 2 shall be deemed to authorise the refusal of the nomination of any person on the ground of any irregularity in respect of a nomination paper, if the person has been duly nominated by means of another nomination paper in respect of which no irregularity has been committed.

25.—(a) After the scrutiny and the acceptance or rejection of nomination papers in the manner described in paragraph 24 of this Schedule are completed, the Returning Officer shall make up a final list of valid nominations in Form VIII and publish it on the notice-board of his office not less than ten days before the date fixed for the election.

(b) The final list shall also be published in the Gazette. Copies of the list shall forthwith be sent to be posted within each constituency in the Municipal offices and the offices of Tahsildars and Magistrates conceroed, in the Anchal and Village offices, and in the office of the Diwan Peishkar.

26.—(1) A candidate who has been duly nominated for election may withdraw his candidature by a written and signed communication delivered to the Returning Officer not less than ten clear days before the date fixed for the recording of votes.

(2) The Returning Officer shall forthwith notify any such withdrawal and shall remove from the ballot paper if already printed the name of the candidate who has withdrawn his candidature.

27 —(a) If, owing to there being more than one candidate, a poll has to be taken, the Diwan Peishkar—*cont*<sup>(2)</sup> shall appoint forthwith one or more Presiding Officers for each polling station. The Peishkar may also, if necessary, appoint one or more officers to assist the Presiding Officer in identifying the voters

(b) No elector shall be admitted to vote at any polling station other than the one under which his name appears in the electoral roll

#### VOTING

28 The Presiding Officer shall keep order at the station, shall see that the election is fairly conducted, shall regulate the number of electors to be admitted at one time and shall exclude all other persons except his clerks, the candidates or any agent whom any candidate may have appointed in writing to appear in his stead at the polling station, the police on duty, and such persons as may be admitted for the purpose of identifying the electors

29 The ballot box shall be so constructed that the ballot papers can be introduced therein but cannot be withdrawn therefrom without the box being unlocked. Just before the commencement of the poll the Presiding Officer shall show the ballot box empty to such persons as may be present at the polling station and shall then lock it up and place a seal upon it in such manner as to prevent its being opened without breaking such seal and place it in his view for the receipt of ballot papers and shall keep it so locked and sealed. The key of the ballot box shall also be placed under seal.

30 The Diwan Peishkar shall provide for each Presiding Officer such number of clerks as he may consider desirable and shall supply to him copies of the electoral roll for his polling area, ballot papers and boxes, a list of the nominations and such other papers, stationery and forms as may be necessary.

31. Every ballot paper shall be in Form IX and shall have the full names of the candidates printed in alphabetical order. If there are two candidates whose full names are the same, they shall be distinguished by the addition of their occupation or in some other way.

32.—(1) When a person presents himself to vote, but not afterwards, the Presiding Officer or any clerk appointed to check the voters by reference to the electoral roll, may of his own accord and shall, if so required by a candidate or his agent, put to the person either or both of the following questions:—

(a) Are you the person enrolled as follows (reading the whole entry from the roll)?

(b) Have you already voted at the present election for this constituency or any other general constituency?

(2) The vote of the person required to answer either of these qualifications shall not be allowed until he answers question (a) in the affirmative and question (b) in the negative:

Provided that voters in constituency No. 4 (Ernakulam Women) may be allowed to vote in that constituency even if they answer that they have already voted in constituency No. 3 (Ernakulam) and *vice versa* and that voters in constituency No. 18 (Trichur Women) may be allowed to vote in that constituency even if they answer that they have already voted in constituencies Nos. 16 (Trichur Town—North) or 17 (Trichur Town—South) and *vice versa*.

(3) The name of every person presenting himself to vote and his number on the electoral roll shall be entered on a signature slip in Form X and the voter shall sign his name in the column provided for that purpose and if he is unable to sign his name he shall fix his thumb impression thereto. Where owing to any physical cause the thumb impression cannot be taken, the Presiding Officer shall make a note on the slip to that effect.

(4) The voter shall present his slip to the Presiding Officer who, after satisfying himself that it—cont.<sup>Rule 1(2)</sup> has been duly signed by the voter or impressed with his thumb mark, shall file it

Provided that the Presiding Officer may, if any doubt should arise as to the identity of the voter, require that the slip be attested by any person present, who can identify the voter. If there is no such person present the Presiding Officer shall note on the slip the fact that the voter's identity has been questioned

33 Immediately before a ballot paper that is the outer foil of Form IX—is handed over to the voter the Presiding Officer shall —

(i) initial it on the back

(ii) enter the voter's number in the electoral roll upon the corresponding counterfoil of Form IX and

(iii) affix his initials against the voter's name in the electoral roll

The Presiding Officer shall then give him a ballot paper

34 The voter on receiving the ballot paper shall forthwith proceed to the place set apart for the purpose and there mark a cross against the name of the candidate or candidates for whom he intends to vote. He shall then fold up the ballot paper so as to conceal his vote and put his ballot paper so folded into the ballot box. Where at any polling station there is more than one constituency in which the number of voters registered to poll at that station is less than 25, separate ballot boxes shall not be provided for each such constituency but a single box common to all such constituencies shall be used. The voter shall, after folding the ballot paper, place it in an envelope which will be given to him by the Presiding Officer, close the envelope and hand it to the Presiding Officer who shall

Rule 3 (2) —*cont* at once seal it and give it back to the voter to place in the common ballot box. At the close of the poll, the box shall be opened and the envelopes sorted and sent in sealed packets to the respective Returning Officers in the manner prescribed in paragraphs 41 and 42.

35 —(1) If the voter is unable to read the ballot paper or to make a cross thereon, and applies for assistance in doing so, the Presiding Officer shall read it for him and if so required shall, in the presence of the candidates or their agents mark the ballot paper according to the directions of the voter and give it to him to be put in the ballot box.

(2) In the case of every voter whose ballot paper is marked in this manner by the Presiding Officer, a note shall be made on the corresponding counterfoil of Form IX by the Presiding Officer, of the reason why it was so marked.

(3) If any elector, in the course of a hearing of an election petition under the rules for the time being in force is proved to have falsely stated to the Presiding Officer that he is unable to read or mark the ballot paper and thereupon to have recorded his vote, his vote shall be void.

36 —(1) Any ballot paper which is not duly marked or on which votes are given to more than one candidate, except in the case of constituencies Nos 5 (Mittancheri) and 7 (Cranganur) where votes may be given to two candidates or on which any mark is made by which the voters may afterwards be identified, shall be invalid.

(2) If more than one cross is placed against any candidate's name they shall count only as one vote in his favour, provided that the voter has not placed crosses against more candidates than one.

(3) If the cross or any one of the crosses is so placed as to render it doubtful for which candidate

such mark is intended to apply, the vote shall be in- Rule 3 ( )  
valid —cont

37 If a person representing himself to be a particular elector named on the electoral roll applies for ballot paper after another person has voted as such elector, the applicant shall, after duly answering such questions as the Presiding Officer may ask, be entitled to mark the ballot paper, in the same manner as any other voter. The ballot paper (called in this schedule a tendered ballot paper) shall be of a colour different from the other ballot papers and instead of being put into the ballot box shall be given to the Presiding Officer and endorsed by him with the name of the voter and his number on the electoral roll and set aside in a separate packet. The signature or thumb impression of the voter concerned shall be taken on signature slips in Form X as under paragraph 32, but the slip in this case shall not be placed in the file of signature slips but shall be attached to its connected tendered ballot paper and these slips with their connected tendered ballot papers shall be separately filed.

38 A voter who has inadvertently dealt with his ballot paper in such a manner that it cannot be conveniently used as a ballot paper may, on delivering it to the Presiding Officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoilt paper, the latter together with its counterfoil being marked as cancelled.

39 A Presiding Officer, his clerk or election agent or any public servant who being entitled to vote in a constituency is duly appointed or authorised for duty at a polling station at which he is not ordinarily entitled to record his vote may apply to the Returning Officer concerned for a certificate entitling him to vote at the polling station where he is employed. The said certificate shall be in form XI.

If, however, he is on duty at a polling station which is not in the constituency in which he is entitled

**Rule 3 (z)** —cont. to vote, the Returning Officer shall in addition to the certificate mentioned above, furnish the Presiding Officer concerned with particulars regarding the number of votes which the voter is entitled to give and the names of and serial numbers assigned to the candidates standing for election in that constituency.

40. A person in possession of a certificate in the form prescribed in paragraph 39 shall deliver the certificate to the Presiding Officer who shall thereupon issue to the person ballot papers in the same manner as to any other voter. Such ballot papers shall be dealt with in the following manner :—

(1) If the polling station at which the person is on duty be in the same constituency as the one in which he is entitled to vote, then the provisions contained in paragraph 34 shall apply. The Presiding Officer shall, at the end of the poll, send the certificate to the Returning Officer along with the statement mentioned in paragraph 42.

(2) If the polling station at which the person is on duty be not in the constituency in which he is entitled to vote the Presiding Officer shall issue the ballot paper or papers. The person shall proceed into the polling compartment and place the ballot paper duly marked in an envelope and after sticking it up enclose it in a cover and hand over the cover to the Presiding Officer. Where a voter is given more than one ballot paper, he shall adopt a similar procedure in respect of each paper.

The Presiding Officer shall make up into separate packets for each constituency, the covers in which votes have been so recorded, the connected certificates being fastened to the covers, seal up each such packet in the manner specified in paragraph 41 and forward the same to the Returning Officer of the constituency concerned".

41. The Presiding Officer of each polling station as soon as practicable after the close of the poll shall in the presence of the candidates or their agents make up into separate packets and seal with his own seal and the seal of such agents of the candidates as may desire to affix their seal—

- (1) each ballot box in use at his station unopened other than the box in which the sealed envelopes are placed;
- (2) the keys of such boxes;
- (3) the envelopes containing the ballot papers;
- (4) the unused and spoilt ballot papers both ordinary and tendered with their counterfoils and the unused and spoilt envelopes;
- (5) the tendered ballot papers with the signature slips attached to them;
- (6) the marked copies of the electoral roll, and the counterfoils of ballot papers;
- (7) the file of signature slips; and
- (8) the covers under paragraph 40 (2).

42. The packets shall be forwarded by the Presiding Officer to the Returning Officer accompanied by a statement in Form XII so as to reach him not later than the day and hour fixed for the counting of votes. Each packet shall be numbered and shall bear a note as to its contents.

43. Every Presiding Officer, clerk, and agent in attendance at a polling station shall maintain, and aid in maintaining, the secrecy of the voting in such station and shall not communicate, except for some purpose authorised by law, to any person any information as to the name or number on the electoral roll of

Rule 1(2)

any elector who has or has not applied for a ballot paper or voted at that station or as to how a particular elector has voted, and no such officer, clerk or agent and no person whatsoever shall interfere with or attempt to interfere with a voter when marking his vote. No person shall directly or indirectly induce any elector to display his ballot paper after he shall have marked the name so as to make known to any person the name of the candidate for whom he has so marked his vote.

44 On the day and at the hour appointed for the counting of votes the Returning Officer shall proceed as follows —

(a) The ballot box or boxes and envelopes relating to each polling station and covers, if any, received under paragraph 40 shall be opened one after another, and the Returning Officer shall take out the papers therefrom, count them or cause them to be counted, and record the number thereof in a statement in Form XIII.

(b) The Returning Officer shall then mix together the whole of the ballot papers of all the ballot boxes and envelopes and hand them out in convenient bundles to the persons employed as counters.

(c) The examination and counting of the votes will then commence. The Returning Officer shall on every ballot paper which is wholly or partially rejected endorse the word 'rejected'. If any candidate or agent present questions the correctness of his rejection order, he shall also record on the ballot paper the grounds of rejection briefly.

(d) The Returning Officer shall as far as practicable proceed continuously with the counting of the votes, and shall, during any necessary intervals during which the counting has to be suspended, place the ballot papers, packets and other documents relating to

the election under his own seal and the seals of such candidates or their agents as may desire to affix them, and adequate precaution shall be taken for their custody

45 After the Returning Officer has completed the scrutiny and counting he shall prepare a return of the results of the polling in Form XIV and after verifying the total of votes with the figures in Forms XII and XIII, he shall declare the election of the successful candidate or candidates as provided in rule 3 (4) and (5) of the election rules

46 Any candidate or his agent shall, on application, be permitted to take a copy or an extract from the return in Form XIV

47 The Returning Officer shall not open the sealed packets containing the tendered ballot papers and their connected signature slips or the marked copies of the electoral roll

48 Upon the completion of the counting and declaration of the results the Returning Officer shall seal up in separate packets (1) the ballot papers all or some of the votes on which have been counted and (2) the ballot papers, all the votes on which have been rejected and shall mark on each packet the number of papers it contains. A note shall be made giving a description of the contents of each packet in the election to which it relates
